

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ANNUAL COST RECOVERY FILING FOR ) CASE NO.  
DEMAND SIDE MANAGEMENT BY DUKE ) 2014-00388  
ENERGY KENTUCKY, INC. )

ORDER

Duke Energy Kentucky, Inc. ("Duke") has requested a deviation from 807 KAR 5:001, Section 17(2)(b)(3), which requires a utility to publish notice of a general rate adjustment once a week for three consecutive weeks. Duke states that it directed each of the seven newspapers in its service territory to publish the requisite notice once a week for three consecutive weeks commencing on November 11, 2014. However, the Falmouth Outlook skipped a week between the first and second publications.

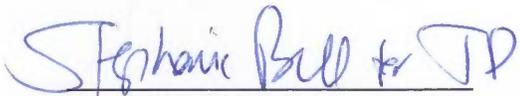

Duke states that it attempted, in good faith, to comply with the regulations pertaining to publishing notice. It therefore requests a deviation from the publication requirement as a result of the Falmouth Outlook's publishing nonconsecutive notices.

The Commission finds that the notice requirement in the instant case is controlled by 807 KAR 5:011, Section 8, and that Duke's request should be treated as a motion to deviate from 807 KAR 5:011, Section 8(2)(b)(3). Finding that Duke has demonstrated good cause to permit a deviation from the notice requirement, the Commission HEREBY ORDERS that Duke's motion for a deviation for 807 KAR 5:011, Section 8(2)(b)(3), is granted.

By the Commission
